

When can I receive an acceptance letter?

After you have returned the application form or enrolled online, and we have received confirmation of payment, we will send you an acceptance letter. This can be sent to you by post or by fax or both. Please note, however, that most British Embassies will accept only original documents. If you need your letter urgently, we can send it by DHL Courier. The current cost of this is £50. If your application for a visa is refused, you will receive a complete refund of your school fees except the registration fee.
